

2,0 kg

The diagram shows a physics experiment setup. At the top, a rectangular block is labeled "2,0 kg". Below this block is a horizontal rail with two rectangular supports. A vertical arrow points upwards from the center of the rail towards the bottom of the 2,0 kg block. To the right of the arrow, the text "965 m/s" is written. Below the arrow, the text "4,2 g" is written.

965 m/s

4,2 g
